all forms of Defective Vision --- Artifical Tammany Hali Democracy, died in New Eves inserted. AN OPINION WORTH READING.

All Ultrium WURTH READING.

To the Editor of the Gazette:—It affords me great bleasure to be able to hear testiment to the ability and skill displayed by br. W.C. Boteler, of this city, in the management of defective sight, and his attention to my own eyes to particular. The doctor adjusted and supplied me spectacles that are all that I could desire. They enable me to read clearly and easily and prosecute daily duties with comfort and satisfaction.

Excitement in Texas.

Great excitement has been in the vic inity of Paris, Tex , by the remarkable recovery of Mr. J. E. Corley, who was so belpless he could not turn in bed, or raise his head; everybody said he was dying of Consumption. A trial bottle of Dr. King's New Discovery was sent him. Finding relief, he brought a large bottle and a bex of Dr. King's New Life Pills; by the time he had taken two boxes of Pills and two bottles of the Discovery, he was well and had gained in flesh thirty-six pounds. Trial Bottles of this Great Discovery for Consumption free at Hinde & Philbrick's Druggists.

Farm Notes.

Run the roller over the field wherever the wheat has been thrown up by

Connecticut raised 11,725,000 pounds of tobacco this year, against 13,000,000 pounds in 1885.

The Louisiana sugar crop is now estimated at 150,000 hogsheads, a reduction from previous estimates. It takes six cords of hard maple wood

produce the same amount of heat that four cords of hickory will. The standard for a good cow is said o be 500 gallons of milk, a year, and of this there should be 10 per cent of

cream. Some dairymen save the last fourth of the milk from the cow in a separate vessel, and pour it directly into a cream

With proper care and skill a wellelected flock of the right kind of sheep can be made to pay 100 per cent on heir cost every year.

of apples are very thick and tough this year. It is likely that the dry season was the cause. The frost will pulverize the clods. It

Many people complain that the skins

ossible, should the ground thaw during the winter, plow it and leave the urrows rough. Land plowed when it is too wet be-

comes cloddy, and may be injured to such a degree that years of sod will not effect restoration. A cotemporary suggests that a cow can be easily led by a halter that com-

mands her nose, but with difficulty by a rope around her horns. The best way to induce the hens to ay at this season is to provide them with warm quarters and feed meat

hree or four times per week. It is useless to hope to destroy the acidity of certain soils by the application of lime and other supposed correctives. Only drainage will accomplish

Wool is cheaper in American than in any Europeau center. Prices must be equaled by and by, which will mean an advance of prices in this country.

It is not too soon to make the frames for the hot-beds get everything ready. Save the manure for that purpose which should be fresh and free from oarse litter.

Rye may be pastured whenever the weather permits, but care should be taken not to turn on the stock at a time when the ground is soft or so as to trample the field too much. Turkeys and guiness should not be allowed to roost in the tree tops, or the

Notice.

Notice.

Notice is hereby given by the undersigned, householders of Holt county, Missouri, that a bill will be introduced during the present season of the General Assembly to enact a local or special law to authorize the county court of Holt county, Missouri, to make provision for the payment and to pay for certain improvements and repairs made in good faith, upon the construction of suitable vaulis therein, under a contract centered into in May 1881, and two subsequent contracts, by Mones Bennett, contractor, with or on behalf of the county court, under and pursuant to Chapter 65, Revised Statues 1872, which improvements and repairs were duly revelved and accepted by and on behalf of the county, in the fall of 1881, and have been used and enjoyed by the public from thence hitherts to the great benefit and advantage of the county, and which improvements have not been paid for or any part thereof. Such payment to be authorized to be made with or out of any surplus money or fund remaining in the county treasury from time to time, above the sum required for the current year, or with any money to be set apart for shat purpose—the county to set apart for the the time, above the sum repairs of the annual levy of taxes in any year, and from year to year, to set apart as specific sum or portion of the revenue to be applied to the payment for such improvements and repairs, until the same shall have been fully paid forto the extent of their reasonable value not exceeding the amount due according to the terms of the contracts under which they were made and to apportion and sub divide the remained of the revenue thus levied as now provided by law Mrs. D. E. Bennett, John W. Stokes, Jehn Foster Ira Peter, C. O. Proud, Jouas Walson, Geo. Anderson, G. W. Cummins, L. I. Moore, A. J. Castle, Frank Peter.
